IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

RICHARD DENNIS and PORT 22, LLC, on behalf of themselves and all others similarly situated, Plaintiffs, v. THE ANDERSONS, INC., and CARGILL, INC., and JOHN/JANE DOES NOS. 1-50 Defendants.	Case No.: 1:20-cv-4090 Honorable Robert W. Gettleman Magistrate Judge Keri L. Holleb Hotaling

~~[PROPOSED]~~ ORDER APPROVING DISTRIBUTION PLAN

This matter came before the Court for hearing on November 12, 2026 (the "Settlement Hearing"), upon Plaintiffs' Motion for Final Approval of Class Action Settlement. ECF No. 288. The Court, having considered all matters submitted to it at the Settlement Hearing and otherwise; having found that notice of the Settlement Hearing substantially in the form approved by the Court was mailed to all Class Members who could be identified with reasonable effort and published as described in the Notice Program; and having considered and determined the fairness and effectiveness of the Distribution Plan,

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. This Order incorporates by reference the definitions in the Stipulation and Agreement of Settlement with Cargill, Incorporated (ECF No. 285-1) and the Stipulation and Agreement of Settlement with The Andersons, Inc. (ECF No. 285-1) dated May 27, 2026 (together, the "Stipulations"), and all capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Stipulations.

2. Pursuant to and in compliance with Rule 23 of the Federal Rules of Civil Procedure, this Court hereby finds and concludes that due and adequate notice was directed to Class Members

who could be identified with reasonable effort, advising them of the Distribution Plan and of their right to object thereto, and a full and fair opportunity was accorded to Class Members to be heard with respect to the Distribution Plan. There were no objections to the Distribution Plan.

3. The Court hereby finds and concludes that the Distribution Plan for the calculation of the claims of claimants that is set forth in the Notice of Class Action Settlement (the "Notice") made available to Class Members provides a fair and reasonable basis upon which to allocate the Net Settlement Fund among Class Members.

4. The Court hereby finds and concludes that the Distribution Plan is, in all respects, fair, reasonable, and adequate, and the Court hereby approves the Distribution Plan.

IT IS SO ORDERED.

Signed this 12 day of November, 2026, at the Courthouse for the United States District Court for the Northern District of Illinois.

Robert W. Gettleman
